## Pelvic Floor Consent for Evaluation and Treatment

I acknowledge and understand that I have been referred for evaluation and treatment of pelvic floor dysfunction. Pelvic floor dysfunction includes, but are not limited to, urinary or fecal incontinence; difficulty with bowel, bladder, or sexual functions; painful scars after childbirth or surgery; persistent sacroiliac or low back pain: or pelvic pain conditions.

I understand that to evaluate my condition it may be necessary, initially and periodically, to have my therapist perform an internal pelvic floor muscle examination. This examination is performed by observing and/or palpating the perineal region including the vagina and/or rectum. This evaluation will assess skin conditions, reflexes, muscle tone, length, strength and endurance, scar mobility, and function of the pelvic floor region. Such evaluation may include vaginal or rectal sensors for muscle biofeedback.

Treatment may include, but not limited to, the following: observation, palpitation, use of vaginal weights, vaginal or rectal sensors for biofeedback and/or electrical stimulation ultrasound, heat, cold, stretching, and strengthening exercises, soft tissue and/or joint mobilization, and educational instruction.

I understand that in order for therapy to be effective, I must come as scheduled unless there are unusual circumstances that prevent me from attending therapy. I agree cooperate with and carry out the home program assigned to me. If I have difficulty with any part of my treatment program, I will discuss it with my therapist.

1. The purpose, risks, and benefits of this evaluation have been explained to me.
2. I understand that I can terminate the procedure at any time.
3. I understand that I am responsible for immediately telling the examiner if I am having and discomfort or unusual symptoms during evaluation.
4. I have the option of having a second person present in the room during the procedure, that I will provide, and I \_\_\_\_\_choose\_\_\_\_\_decline this option.
5. I decline the option of internal exams\_\_\_\_\_
